## **ROAD CLOSURE UPDATE**

### **WESTBOUND MADISON ROAD**

#### **BLAESI STREET, 100 FOOT WEST TO CAMARGO ROAD**

The original work and closure of Madison Road, from Camargo Road to Blaesi Street, has been extended to 100 feet west of Blaesi Street. This is because of an unexpected collapse and repair of the existing sewer system. Madison Road will remain closed in the WESTBOUND DIRECTION ONLY, until approximately 5:00 P.M., Friday, March 11, 2005. This closure is necessary to complete the new repair and installation of sewers by Ford Development and the Metropolitan Sewer District.

The advance detour for traffic on northbound Plainville Road and southbound Camargo Road will continue to be west on Roe Street to north on Whetsel Avenue, back to Madison Road.

Blaesi Street at Madison Road will need to be closed for a several days. Access may be gained from Roanoke Street, just west of Blaesi Street.

**A marked detour will be provided. Motorists are advised to reduce their speed and use caution when approaching the work area.**
